Berkeley Tap Reactivation Fee	\$140 per SFRE for each year beyond 10

**Developer Project Costs incurred by the District require the Developer to pay within 30 days of being billed by the District. A 1% late fee will be imposed if the invoice is not paid within 30 days. In addition, all work for the Developer will be stopped by the District's attorney and/or engineer on the Developer's project. If payment is not received, sewer taps will not be issued for the project. Per its Rules and Regulations, Berkeley reserves the right to place a lien on the project if all fees and charges have not been paid.**

**Just because a sewer tap is present, does not guarantee a tap credit from Berkeley or Metro**
